

## We can make a difference, but we need your help!

## \$25 a month will assist 1 veteran with meals for 1 month

Our Veterans at MANNA Acres grow, raise and prepare meals for their fellow veterans, but funds are limited.

## We need YOUR help.

It is time for the community to help our struggling veterans since they have sacrificed so much for the country we and our families live in today.

\$25 for a month of meals? How many veterans will you assist?
